Avocado Just Want to Travel Safe

Polymer Logistics developed a unique Avocado crate to ensure a safe and successful journey

- Protects and maintains the quality of the Avocado (The Avocado is kept clean, hygienic and attractive)
- Offers good ambient conditions to the Avocado which are congenial for storage and transportation
- Fully Recyclable and easy to handle
- Easy to stack – The design of crate ensures ease of use when stacking and de-stacking
- Flexibility – The crate is designed with flexible side walls to reduce spoilage and bruising during transit and storage
- Weighs only 0.36 kg / 0.79 lbc.– Providing a wide range of benefits including, lower transportation costs, ease of handling for employees and more environmentally friendly
- Package labeling option that will support the logistical cycle with the needed information (date of packing, trace-ability, weight etc.)
